Air Search and Rescue Card Registration

In accordance with WAC 468-200, the Washington State Department of Transportation Aviation Division is required to register all aircraft pilots and observers as well as main base support personnel who may be assigned and working at a designated Incident Command Post. Ground personnel engaging in search and rescue field activities in remote or isolated locations must be registered Emergency Workers in compliance with Chapter 38.52 RCW and Chapter 118-04 WAC.

Please complete this form and return it to: **Washington State Depart. Of Transportation
